(A) BE CLEAR WITH THE MODULE ARRANGEMENT SUCH AS PRE-REQUISITES AND SCHEDULED SEMESTER FOR INTERNSHIP

- Refer to the [internship website](#) for an overview of the internship modules and FAQs.

(B) BE CLEAR WITH THE APPLICATION CATEGORIES OF AND PROCESS FOR (1) FACULTY-PLACEMENT VS (2) SELF-SOURCED

1. View and apply to the list of organisations and the internship positions identified by the Faculty for your uptake via the Faculty-placement from 2 February 2017.
Take note of the faculty-placement timeline as below:

Activity	Timeline
Student Application	2 February – 15 February 2017
Company Shortlisting	16 February – 15 March 2017
Release of Placement Result	21 March 2017

2. Also self-source for internship opportunities through the various platforms; identify organisations of your interest but not in the Faculty-placement listing and submit your resume directly to them.
Upon receiving an internship employment offer from your self-sourced organisation, apply via the Self-Sourced category for the Faculty's approval.
 - [NUS International Relations Office](#)
 - [NUS Overseas Colleges](#)
 - [NUS TalentConnect](#)
 - Organisations' websites
 - Other Careers Portals (e.g. JobsCentral, JobsDB)
- Read the [step-by-step guide](#) to registering the internship for Faculty-placement and Self-sourced on the Enhancement Programmes portal.

(C) ENSURE READINESS IN SENDING YOUR RESUME FOR INTERNSHIP OPPORTUNITIES

- Read the [career guidebook](#), participate in careers workshop and schedule a consultation session with your Careers Advisors for advice.
- Classes for *Groom Your Resume and Winning Interviews* are almost fully filled, visit [here for immediate registration](#).

(D) ATTEND THE COMPULSORY INTERNSHIP BRIEFING ON 2 FEBRUARY 2017, 12.30PM TO 1.30PM

- Registration is required at <http://bit.ly/InternshipBriefingFeb2017>
- Module information, policies, and application procedures will be covered during the briefing.
- Webcasted will be made available in the following week.
