

Master-list of CEG Technical Electives available in AY2015/16
(For CEG students of AY2012 intake and onwards)

Modules highlighted in green are NOT part of CEG core; students have to take as UEM to meet pre-requisite

In red fonts: pending approval/revision

In green fonts: amendments (from previous Academic Year)

Module(s) added to the list (from previous Academic Year) are tagged with <NEW>

	EE4410A Integrated Circuit Design	1	0	4	5	100%	4	No longer offered	Pre: EE3408C Anti-req: EE4410
	EE4415 Integrated Digital Design Co-list under 'embedded computing'	2	0.5	0.5	7	30%	4	2	Pre: EE2006 /EE2020
	EE4505 Power Semiconductor Devices & ICs Note: Scheduled to offer in alternative years i.e. AY1516, AY1718	2	0.5	0.5	7	60%	4	1	Pre: EE2021 or equiv

Note:

- Other level 3000/4000 modules hosted by CS or ECE may be used as fulfilling CEG Technical Elective (TE) requirements (under no particular concentration). Generally, a level 3000 module will count as CEG TE Breadth, while a 4000 level module will count as CEG TE Depth.

- The following level 2000 modules may count as CEG TE Breadth (under no particular concentration):

CS2104 Programming Language Concepts

CS2281 Programming in Unix

EE2011 Engineering Electromagnetics

EE2022 Electrical Energy Systems (re-coded to EE3505C effective AY2015)

EE2025 Power Electronics (re-coded from EE3501C effective AY2015; to be first offered)

IE2110 Operation Research I

IE2130 Quality Engineering I

"CS1010 or its equivalent" - This prerequisite clause refers to "CS1010 or CS1010E or CS1101 or CS1101C or CS1101S or CG1101 or CS1010FC".

"CS1020 or its equivalent" - This prerequisite clause refers to "CS1020 or CS1020E or CS2020 or CS1102 or CS1102C or CS1102S or CG1102 or CG1103".

"CS2010 or its equivalent" - This prerequisite clause means "CS2010 or CS2020 or CS1102 or CS1102C or CS1102S or CG1102".

Note: CG1103 is excluded from this clause i.e. AY2010 intake and onwards will need to read additional module (i.e. CS2010) to satisfy the pre-req.

For CS-coded modules, please refer to IVLE for the CA component.

Offer semester and pre-requisites may change; please refer to Bulletin

<http://www.nus.edu.sg/registrar/nusbuletin/modulesearch.html>.

The host department reserves the right to make final changes to any module on offer.
