

**NOC Singapore (NCSG) curriculum mapping for CEG students:**

	NCSG curriculum	MCs	Mapping to CEG		Credits Transfer	Graded
			Programme / Major Requirements	UEM OR ULR Breadth		
A	<b>Internship Courses</b> (compulsory)					
	TR3202 Start-up Internship Programme	12	IA (12 MCs) <sup>1</sup>	IA (12 MCs) <sup>2</sup>	Yes	Yes
	TR3203T Start-up Case Study & Analysis	8	EE3031 (4 MCs) <sup>3</sup>		Yes	Yes
B	<b>Entrepreneurship Course</b> (compulsory)					
	TR4049 Seminars in Entrepreneurship	4		TR4049	Yes	Yes
		24	16 or 4	4 or 16		

**Notes:**

- Students **must abide strictly** to the above module mappings.
- Only the (letter) graded TR-coded module(s) will be reflected on NUS transcript.
- While discipline-based module is optional, CEG students are recommended NOT to exceed the maximum 25 MCs semestral workload.

<sup>1</sup> Industrial Attachment (IA) is a Programme/Major requirements for CEG AY2014 intake (& onwards).

<sup>2</sup> IA is non-compulsory for CEG AY2013 intake (& prior).

<sup>3</sup> Strictly 1-to-1 mapping. Due to the mismatch in MCs, affected students will graduate with minimum 164 MCs (instead of 160 MCs).
