

Accredited Diplomas and their Course Exemptions For Poly Freshmen admitting to Computer Engineering (CEG) in AY2024/2025

The Advanced Placement Credits (APCs) granted to accredited diplomas in **List 1** are:

- Unrestricted Elective: 20 units
 - EG3611P Industrial Attachment: 10 units
 - DTK1234 Design Thinking: 4 units
 - EG1311 Design and Make: 4 units
- Total: 38 units

List 1:

The accredited diplomas from **Nanyang Polytechnic** are:

- Aeronautical & Aerospace Technology
- Aerospace Systems & Management
- Biomedical Engineering
- Business Enterprise IT
- [Applied AI & Analytics <new>](#) / Business Intelligence & Analytics
- Cybersecurity & Digital Forensics / Cyber Security & Forensics / Information Security
- Electrical Engineering with Eco-Design
- Electronic & Computer Engineering / Electronic Systems / Electronics, Computer & Communication Engineering / Electronics, Computer & Control Engineering
- Financial Informatics
- Game Development & Technology / Digital Entertainment Technology
- Infocomm & Security / Infocomm and Security / Engineering Informatics
- Information Technology
- Infocomm & Media Engineering / Multimedia & Infocomm Technology
- Multimedia Systems Engineering
- Nanotechnology & Materials Science
- Robotics & Mechatronics / Mechatronics Engineering
- Telematics & Media Technology

The accredited diplomas from **Ngee Ann Polytechnic** are:

- Aerospace Electronics / Aerospace Electronics (with Minor in Business Management)
- Aerospace Engineering / Aerospace Technology / Aerospace Technology (with Minor in Business Management)
- Audio-visual Technology / Audio-visual Technology (with Minor in Business Management)
- Automation & Mechatronic Systems / Automation Mechatronic Systems / Automation Mechatronic Systems (with Minor in Business Management) / Mechatronics Engineering / Mechatronics Engineering (with Minor in Business Management)
- Biomedical Engineering / Biomedical Engineering (with Minor in Business Management)
- Business Information Technology
- Clean Energy Management
- Cybersecurity & Digital Forensics
- Electrical Engineering / Electrical Engineering (with Minor in Business Management)
- Electrical & Electronic Engineering
- Electronic Engineering
- Electronics & Computer Engineering / Electronic & Computer Engineering (with Minor in Business Management)
- Electronics & Telecommunications Engineering
- Engineering Science
- Immersive Media
- Information Technology
- Internetworking & Communications
- Mobile Business Solutions / Information Technology (Mobile Computing)

Accredited Diplomas and their Course Exemptions For Poly Freshmen admitting to Computer Engineering (CEG) in AY2024/2025

The accredited diplomas from **Ngee Ann Polytechnic** (continued) are:

- Network Systems & Security

The accredited diplomas from **Republic Polytechnic** are:

- Aerospace Avionics
- Biomedical Electronics / Biomedical Electronics Engineering
- Business Information Systems / Business Computing
- Digital Design & Development / Mobile Software Development
- Digital Entertainment Electronics / Communications & Automation Electronics
- Electrical and Electronic Engineering
- Electronics Engineering
- Financial Technology / Business Applications
- Green Building Energy Management / Renewable Energy Engineering
- Infocomm Security Management
- Information Technology
- Industrial & Operations Management
- Interactive & Digital Media
- IT Service Management
- Supply Chain Management

The accredited diplomas from **Singapore Polytechnic** are:

- Aerospace Electronics
- Applied AI & Analytics
- Bioelectronics
- Business Information Technology
- Computer & Network Technology
- Computer Engineering
- Electronics, Computer & Communication Engineering / Electronics & Communications Engineering
- Electrical & Electronic Engineering
- Energy Systems and Management / Clean Energy
- Engineering Systems
- Engineering with Business
- Financial Informatics
- Games Design & Development
- Info-Communication Engineering & Design / Information Communication Technology
- Infocomm Security Management
- Information Technology / Computer Information Systems
- Mechatronics and Robotics / Mechatronics
- Multimedia Software Engineering / Multimedia Technology / Digital Media

The accredited diplomas from **Temasek Polytechnic** are:

- 3D Interactive Media Technology
- Aerospace Electronics
- Aerospace Engineering
- Big Data & Analytics / Big Data Management & Governance / Business Intelligence & Analytics
- Biomedical Engineering / Biomedical Informatics & Engineering
- Clean Energy
- Computer Engineering
- Cybersecurity & Digital Forensics / Cyber & Digital Security
- Digital Forensics
- Electronics
- Financial Business Informatics

Accredited Diplomas and their Course Exemptions For Poly Freshmen admitting to Computer Engineering (CEG) in AY2024/2025

The accredited diplomas from **Temasek Polytechnic** (continued) are:

- Game Design & Development / Game & Entertainment Technology
 - [Architectural Technology & Building Services <new>](#) / Green Building & Sustainability
 - Infocomm & Network Engineering
 - Information Management
 - Information Technology
 - Interactive Media Informatics
 - Internet & Multimedia Development
 - Media & Communication Technology / Telecommunications
 - Mechatronics
 - Microelectronics
 - Mobile & Network Services / Mobile & Wireless Computing
-

The Advanced Placement Credits (APCs) granted to accredited diploma in **List 2** are:

- Unrestricted Elective: 20 units
 - CDE2000 Creating Narratives: 4 units
 - DTK1234 Design Thinking: 4 units
- Total: 28 units

List 2:

The accredited diploma is:

[Singapore Polytechnic - Media, Arts & Design <new>](#) (prev known as *Game Design & Development*)

The Advanced Placement Credits (APCs) granted to accredited diploma in **List 3** are:

- Unrestricted Elective: 20 units
 - CDE2000 Creating Narratives: 4 units
- Total: 24 units

List 3:

The accredited diploma is:

[Republic Polytechnic – Applied Chemistry <new>](#)

The Advanced Placement Credits (APCs) granted to accredited diplomas in **List 4** are:

- Unrestricted Elective: 20 units
- Total: 20 units

List 4:

The accredited diplomas are:

[Nanyang Polytechnic – Business & Financial Technology <new>](#)

[Ngee Ann Polytechnic – Data Science <new>](#)

[Temasek Polytechnic – Applied Artificial Intelligence <new>](#)
