Subject: Additional SEP option at Zhejiang University International Campus

Dear CEG Students (from AY19 direct and Poly intakes),

Please be informed that there is additional SEP option in Zhejiang University for CEG students. Reason being, Zhejiang University has recently set up joint-institutes with overseas partners – University of Edinburgh (<http://zje.intl.zju.edu.cn/zje/home/index>) and University of Illinois Urbana Champaign (<https://zjui.intl.zju.edu.cn/en>) at their relatively new International Campus located in Haining city, Hangzhou. Courses are taught in English at these Institutes and in particular, joint institute with UIUC is offering UG Computer Engineering programme <https://zjui.intl.zju.edu.cn/en/content/988>, You may refer to <https://zjui.intl.zju.edu.cn/en/courses/explorer> for more information on courses.

Attached is the updated SEP places available for CEG students.

Thank you.
