Subject: SUSEP Application for Semester 1 of AY2021/2022

Dear Students,

We are pleased to inform that the application for Singapore Universities Student Exchange Programme (SUSEP) at NTU, SMU and SUTD (newly added) for Semester 1, AY2021/2022 is now open for application.

For more information on SUSEP, please refer to: <https://nus.edu.sg/registrar/docs/info/academic-information-policies/Admin-Details-SUSEP.pdf>. It is important for you to know the module restrictions at both NTU and SMU as well.

Please note that the quota allocated to SoC (including CEG) is only 5 for NTU; 2 for SMU and 1 for SUTD. Therefore, please do not be disappointed if you are not selected for SUSEP. Please be reminded that if you are filing for graduation in Semester 1, AY2021/2022, you are not eligible for SUSEP.

To apply, please submit your application by completing the MS form [here](#) by the deadline of 15 February 2021, Monday, 12 noon.

You will be informed of the application outcome by end of February. Please note that you will have to submit an application to the respective university and formal module mapping requests if you are selected. We will provide you with the necessary information in due course.

Should you have any queries, please do not hesitate to contact me. We look forward to your participation!

Thank you.

Best Regards
