Dear Students,

Pls take note of the following announcements.

1. There are new TalentConnect postings approved this week for application. Do also look for opportunities outside of TalentConnect to increase your chances of securing an internship placement. **The deadline to secure your placement is 16 Apr.**
2. If you are directed to an Experiential Learning Form/Record after accepting an offer via the TalentConnect, pls note that you are not required to complete it. However, do complete the **LumiNus Enrolment Survey** so that we may make arrangements to issue the Internship Support Letter to your Employer.
3. Pls ensure that you click on “Finish Survey” to ensure that your Enrolment Survey is submitted. Do inform us if you need to revise your response.

If you have any queries or require assistance, pls send us an email at enginternshipstudents@nus.edu.sg

Dear Students,

You are eligible for Industrial Attachment (IA) in AY21/22 Sem 1 and have been included in the Guest Roster of the EG3611A LumiNUS module from 18 Jan.

**If you intend to embark on your IA in AY21/22 Sem 1, please view the Pre-Internship Briefing (under Multimedia) and complete the Quiz with full marks by 5 Feb.**

Please note that being included in the Guest Roster does not equate to an enrolment into the module. **If you do not complete the Quiz with full marks by 5 Feb, we will assume that you do not intend to embark on your IA in AY21/22 Sem 1 and remove you from the Guest Roster.**

The Student Application Window will open on 25 Jan. Do email us at enginternshipstudents@nus.edu.sg if you have any questions.

Keep Well,
Careers & Internships Team
