Dear Students,

You are eligible for Vacation Industrial Attachment (VIA) in AY20/21 Special Term and have been included in the Guest Roster of the EG3612 LumiNUS module from 18 Jan.

If you intend to embark on your VIA in AY20/21 Special Term, please view the Pre-Internship Briefing (under Multimedia) and complete the Quiz with full marks by 5 Feb.

Please note that being included in the Guest Roster does not equate to an enrolment into the module. If you do not complete the Quiz with full marks by 5 Feb, we will assume that you do not intend to embark on your VIA in AY20/21 Special Term and remove you from the Guest Roster.

The Student Application Window will open on 25 Jan. Do email us at enginternshipstudents@nus.edu.sg if you have any questions.

Keep Well,
Careers & Internships Team
