Subject: Important Announcements for CEG2 Poly Students of AY20-21 cohort in Semester 1,AY21-22 - Please read
Date: Monday, June 21, 2021 1:11:00 PM

This email is meant for CEG2 Poly students of AY20/21 cohort.

Dear CEG2 Students,

Welcome to Semester 1, Academic Year 2021/2022!

Please take note of the following important announcements regarding module registration:

1. Module Registration System

Module Registration is done via ModReg@EduRec (myEduRec > Academics > Module Registration). Please take note of the various dates for each module selection round as stated at the ModReg Schedule Module Selection Round 0 starts on 22 June 2021. Refer to the website http://www.nus.edu.sg/ModReg/ for the detailed information. Please look through the User Guide and learn how to use the ModReg system before 22 June 2021.

If there are any changes to your overseas declaration, please update via the Overseas Travel Declaration (OTD) system before you can participate in ModReg.

You will also need to make your Academic Declaration before you can access ModReg. User guide can be found at http://www.nus.edu.sg/ModReg/docs/User-Guide-(Std)_AcadPlan_Decln.pdf Students are required to complete their Academic Plan declaration 24 hours before participating in the module registration exercise. Please note that for your Academic Plan Declaration, there is no need to declare any CEG ‘Specialisation’ or ‘Tracks’ (not applicable for CEG). You will not be able to select them in ModReg as they are not configured for your selection.

Students will be tagged as ‘CEG2’ upon accumulating (at least) 36 MCs. With the Poly APCs and sem 1/first semester modules (based on average 20 MCs workload), all freshmen from Poly intake are hence tagged as ‘CEG2’.

You are still tagged as CEG2 now because you (or rather, most of you from AY20 Poly) have yet to pass 76 MCs (in order to be automatically retagged as CEG3).

Please refer to the CEG2 Poly AY20-21 intake timetable schedule for Sem 1, AY21-22 attached here.

2. Pre-allocation of Core modules

<table>
<thead>
<tr>
<th>AY20/21 intake</th>
<th>Modules pre-allocated</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>CG2271 or</td>
</tr>
</tbody>
</table>
NOTE 1: The core modules will be pre-allocated to you only if you have fulfilled their pre-requisites. Please refer to the Recommended Schedule for CEG students at https://ceg.nus.edu.sg/students/studyschedule/ (look for Recommended study schedule for CEG2 Poly, AY2020/21 intake students) for the modules you are recommended to take in this semester.

NOTE 2: Please check ModReg account for the pre-allocation of either CG2271 or CG2027 & CG2028 by 22 June 2021. Due to limited quota for both modules, we will not allow for any switch between the modules unless you have strong justifications to do so.

NOTE 3: If you need to re-take any core modules, please email to me at comlowmb@nus.edu.sg for advice.

NOTE 4: Workload Policy for first two Bidding Rounds
For students with a CAP of more than or equal to 2.0, the maximum workload (pre-allocated & selected modules) is 23MCs for Rounds 0 to Round 2, and 25MCs for Round 3 onwards. This means that students can select up to 23 MCs (inclusive of pre-allocated modules), up to Round 2 and up to 25 MCs, from Round 3 onwards. For students with a CAP of less than 2.0, the maximum semestral workload is 21 MCs for all selection rounds. This means that you cannot exceed a workload of 21 MCs in the semester.

The minimum semestral workload is 18 MCs. Refer to Undergraduate continuation and graduation requirements for details.

Many students often consider Year 2 the most difficult year and 4 core modules can sometimes feel like 5 or 6 modules (depending on your individual’s abilities). For students with low CAP, you are advised to spread out your modules evenly. For students who are on the borderline, you might even want to consider dropping one of the pre-allocated modules. Please email me regarding this (dropping of pre-allocated
NOTE 5: You are advised not to overload yourself by taking more than the recommended workload. If you still wish to increase your semestral workload to above 21 or above 25 MCs, you must do so prior the start of ModReg by emailing the following the following information to your Year 2 Coordinator Dr Rajesh C Panicker (eleraje@nus.edu.sg) & c.c. me (comlowmb@nus.edu.sg):

i. Total MCs you planned to take in semester 1
ii. Supporting reasons
iii. Semester 1 workplan (module code, title and its respective MCs - please check against ModReg for the most updated MCs)
iv. Personal details (student ID #, course code, current CAP)

Please do not submit your appeal for overload via Modreg as it will be rejected. Please note that even if you are granted the extra MCs, you can only select from Round 3 onwards.

3. Tutorial and Lab Groups Registration

<table>
<thead>
<tr>
<th>Module</th>

<td>Select online tutorial group in ModReg on 28 June (Round 0)</td>
<td>No lab session</td>
</tr>
</tbody>
</table>

4. University Level Requirement (ULR) modules

Students are required to fulfill 5 General Education (GE) modules under the University Level Requirement (ULR).

GE Modules: 5 Modules, each of 4MCs

GER1000 - Quantitative Reasoning (QR) pillar
GEQ1000 - Asking Questions (AQ) pillar
GETxxxx - Thinking and Expression (T&E) pillar
GESxxxx - Singapore Studies (SS) pillar
GEHxxxx - Human Cultures (HC) pillar

More details on the new GE requirements can be found at GE website.

5. Important Websites

You can refer to the following websites for important information on:

- CEG Second Year Students website
- S/U Policy
- Pre-req chart for AY17-18 onwards
Students are not allowed to exercise S/U option on Engineering modules including those taken as unrestricted electives UEs (unless these are GEMs hosted by the Faculty).
- Recommended study schedules
- FFG checklists
- Examination timetable Please check for timetable and exam clashes before selecting for your modules.

For enquiries, you may contact me via comlowmb@nus.edu.sg.
P/S: You are reminded to check and clear your NUSNET email regularly. For ease of correspondence, please retain the email history and sign-off with your full name and matric number.

With Best Regards,
