Dear Students,

Applications for the following internship programmes are NOW OPEN on NUS TalentConnect until 15 April 2022! The programmes are:-

- Advanced Technology Attachment Programme (ATAP) May to October 2022
- Industry Internship Programme (IIP) May to October 2022
- Student Internship Programme (SIP) May to July 2022

**Applying on NUS TalentConnect**

You can login to TalentConnect to start applying for positions. Please check here that you have met all the pre-requisites to take the respective internship programmes BEFORE you apply to them.

Please follow the guidelines as highlighted during the Internship Briefing (see below).

*Note: Due to screening restrictions, Double Degree Programme students whose home faculty is not SoC may not be able to apply directly on NUS TalentConnect. Please contact AskIR@comp.nus.edu.sg with the Internship Job Title, Company Name, and ID of the postings you wish to apply for.*

**Self-sourced Internships**

Students that have sourced internships externally or under NUS TalentConnect’s non-credit bearing internships (Vacation internships or Contract or Part-time Jobs) and wish to convert it to SoC credit bearing internships would need to follow these steps:-

1. COMPANY to post internship role on NUS TalentConnect. Guidelines on submission can be found on Employer Announcement page.
2. STUDENT to contact AskIR@comp.nus.edu.sg with the 6 digit posting ID from Step 1.
3. Once approved by SoC, COMPANY to issue offer to student on NUS TalentConnect.
4. STUDENT would need to accept the offer on NUS TalentConnect within 5 days.

**Internship Briefing (26 Jan 2022)**

The slides and Q&A from the recent Internship Briefing have been uploaded onto MySoC. The links can be found at [https://mysoc.nus.edu.sg/industry/](https://mysoc.nus.edu.sg/industry/).

The recording of the briefing will be made available by 10 Feb 2022 at the link above.

Regards,
NUS School of Computing Internships
