Dear Students,

Welcome to Semester 1, Academic Year 2022/23!

Do take note of the following important announcements:

1. **Freshmen Welcome / Important Curriculum Talk (4 Aug, Thurs, 10am-1pm)**

There will be a Freshmen Welcome / Curriculum Talk on 4 Aug, at 10am via face-to-face (f2f) mode. We urged you to attend the Talk as we will present important academic issues, including your curriculum, timetabling matters, module planning, etc. Please register at this link by 26 July. Venue will be confirmed/informed at a later date.

2. **Module Registration System**

Module Registration is done via ModReg@EduRec (myEduRec > Academics > Module Registration). Please take note of the various dates for each module selection round as stated at the ModReg Schedule Module Selection Round 1 starts on 21 July.

Refer to the ModReg website http://www.nus.edu.sg/ModReg/index.html for the detailed information. Please look through the User guide and Videos on how to use the ModReg system.

You are also required to make your Academic Declaration before you can access ModReg. Students are required to complete their Academic Plan declaration 24 hours before participating in the module registration exercise. You may refer to the user guide here.

Please note that for your Academic Plan Declaration, there is no need to declare any CEG ‘Specialisation’ or ‘Tracks’ (not applicable for CEG). You will not be able to select them in ModReg as they are not configured for your selection. It is not compulsory to declare any major/minor especially you are in your first semester & if you are unsure whether to take a 2nd major/minor. Students may declare their 2nd major/minor in subsequent semesters.

Please refer to the Recommended Schedule for CEG students at https://ceg.nus.edu.sg/students/studyschedule/ [look under Recommended study schedule for CEG students (Student admitted to CEG2 (Poly) in AY2022/23] for the modules you are recommended to take in this semester.
Do check your NUS email account regularly for updates on module and tutorial registrations for the coming semester. **All email correspondences will be sent to your NUS email only & not to your personal email.**

You should have received an email from the Office of Undergraduate Programme (OUP), please read the email. See attached for reference.

A reminder to complete the two e-modules ‘A Culture of Respect and Consent’ & ‘Student Essentials’ if you have not do so.
