Dear Students,

Applications for the following internship programmes are NOW OPEN on NUS TalentConnect until 5 November 2022! The programmes are:

1. Advanced Technology Attachment Programme (ATAP) January to June 2023
2. Industry Internship Programme (IIP) January to June 2023

Applying on NUS TalentConnect
You can login to TalentConnect to start applying for positions. Please check here that you have met all the pre-requisites to take the respective internship programmes BEFORE you apply to them.

Please follow the guidelines as highlighted during the Internship Briefing (see below).

*Note: Due to screening restrictions, Double Degree Programme students whose home faculty is not SoC may not be able to apply directly on NUS TalentConnect. Please contact AskIR@comp.nus.edu.sg with the Internship Job Title, Company Name, and ID of the postings you wish to apply for.

Self-sourced Internships
Students that have sourced internships externally or under NUS TalentConnect’s non-credit bearing internships (Vacation internships or Contract or Part-time Jobs) and wish to convert it to SoC credit bearing internships would need to follow these steps:

1. COMPANY to post internship role on NUS TalentConnect. Guidelines on submission can be found on Employer Announcement page.
2. STUDENT to contact AskIR@comp.nus.edu.sg with the 6 digit posting ID from Step 1.
3. Once approved by SoC, COMPANY to issue offer to student on NUS TalentConnect.
4. STUDENT would need to accept the offer on NUS TalentConnect within 5 days.

Internship Briefing (31 Aug 2022)
The slides from the recent Internship Briefing have been uploaded onto MySoC. It can be found at https://mysoc.nus.edu.sg/industry/.

Regards,
NUS School of Computing Internships
