

Accredited Diplomas and their Module Exemptions For Poly Cohort AY2022 to Computer Engineering (CEG)

The Advanced Placement Credits (APCs) granted are:

- Unrestricted Elective Modules: 20 MCs
 - EG3611P Industrial Attachment: 10 MCs
 - DTK1234 Design Thinking: 4 MCs
 - EG1311 Design and Make: 4 MCs
- Total: 38 MCs

The accredited diploma from **Nanyang Polytechnic** are:

- Aerospace Systems & Management
- Biomedical Engineering
- Business Enterprise IT
- Business Intelligence & Analytics
- [Cybersecurity & Digital Forensics <new>](#) / Cyber Security & Forensics / Information Security
- Electrical Engineering with Eco-Design
- Electronic Systems / Electronics, Computer & Communication Engineering / Electronics, Computer & Control Engineering
- Financial Informatics
- Game Development & Technology / Digital Entertainment Technology
- [Infocomm & Security <new>](#) / Infocomm and Security / Engineering Informatics
- Information Technology
- Multimedia & Infocomm Technology
- Multimedia Systems Engineering
- Robotics & Mechatronics / Mechatronics Engineering
- Telematics & Media Technology

The accredited diploma from **Ngee Ann Polytechnic** are:

- Aerospace Electronics / Aerospace Electronics (with Minor in Business Management)
- Aerospace Technology / Aerospace Technology (with Minor in Business Management)
- Audio-visual Technology / Audio-visual Technology (with Minor in Business Management)
- Automation Mechatronic Systems / Automation Mechatronic Systems (with Minor in Business Management) / Mechatronics Engineering / Mechatronics Engineering (with Minor in Business Management)
- Biomedical Engineering / Biomedical Engineering (with Minor in Business Management)
- Business Information Technology
- Clean Energy Management
- [Cybersecurity & Digital Forensics <new>](#)
- Electrical Engineering / Electrical Engineering (with Minor in Business Management)
- Electrical & Electronic Engineering
- Electronic Engineering
- Electronics & Computer Engineering / Electronic & Computer Engineering (with Minor in Business Management)
- Electronics & Telecommunications Engineering
- Engineering Science
- Information Technology
- Internetworking & Communications
- Mobile Business Solutions / Information Technology (Mobile Computing)
- Network Systems & Security

Accredited Diplomas and their Module Exemptions For Poly Cohort AY2022 to Computer Engineering (CEG)

The accredited diploma from **Republic Polytechnic** are:

- Aerospace Avionics
- Biomedical Electronics / Biomedical Electronics Engineering
- Business Applications
- Business Information Systems / Business Computing
- Digital Entertainment Electronics / Communications & Automation Electronics
- Electrical and Electronic Engineering
- Electronics Engineering
- Green Building Energy Management / Renewable Energy Engineering
- [Infocomm Security Management <new>](#)
- Information Technology
- Industrial & Operations Management
- Interactive & Digital Media
- IT Service Management
- Mobile Software Development
- Supply Chain Management

The accredited diploma from **Singapore Polytechnic** are:

- Aerospace Electronics
- Bioelectronics
- Business Information Technology
- Computer & Network Technology
- Computer Engineering
- Electronics, Computer & Communication Engineering / Electronics & Communications Engineering
- Electrical & Electronic Engineering
- Energy Systems and Management / Clean Energy
- Engineering Systems
- Engineering with Business
- Financial Informatics
- Games Design & Development
- Info-Communication Engineering & Design / Information Communication Technology
- Infocomm Security Management
- Information Technology / Computer Information Systems
- Mechatronics and Robotics / Mechatronics
- Multimedia Software Engineering / Multimedia Technology / Digital Media

Accredited Diplomas and their Module Exemptions For Poly Cohort AY2022 to Computer Engineering (CEG)

The accredited diploma from **Temasek Polytechnic** are:

- 3D Interactive Media Technology
- Aerospace Electronics
- Aerospace Engineering
- [Big Data & Analytics <new>](#) / Big Data Management & Governance / Business Intelligence & Analytics
- Biomedical Engineering / Biomedical Informatics & Engineering
- Clean Energy
- Computer Engineering
- Cybersecurity & Digital Forensics / Cyber & Digital Security
- Digital Forensics
- Electronics
- Financial Business Informatics
- Game Design & Development / Game & Entertainment Technology
- Green Building & Sustainability
- Infocomm & Network Engineering
- Information Management
- Information Technology
- Interactive Media Informatics
- Internet & Multimedia Development
- Media & Communication Technology / Telecommunications
- Mechatronics
- Microelectronics
- Mobile & Network Services / Mobile & Wireless Computing
