Dear Students,

Please note that the final batch of internship postings has been published in TalentConnect. If you have not submitted any applications, please do so asap. The deadline to secure your IA placement is 11 Nov. If you are unable to secure or register an internship by the deadline, you may have to defer your internship to a later semester which may delay your graduation.

If you have accepted an offer via TalentConnect (TC), please be reminded that you do not need to complete the TC Experiential Learning Form/Record. However all students must complete the LumiNUS Enrolment Survey after securing their IA placement (TC or Self-Initiated Placement). The Pre-Internship Briefing slides are available under "Files" for your reference, if required.

If you are facing any issues with your IA placement (ie securing interviews or accepting the offer via TC), please email us at cde.iacareer.ug@nus.edu.sg for assistance.

Keep Well,
Careers & Internships Team
Dear Students,

Please note that a new batch of internship postings have been published. Do submit your applications asap if you have yet to do so. Many employers are planning to confirm their interns by the end of Oct.

Do also note that you are required to secure your IA placement by 11 Nov. If you require assistance with your resume, cover letter or interview skills, do make an appointment with the Engineering Career Advisors.

Please email us at cde.iacareer.ug@nus.edu.sg if you have any queries or require further assistance.

Keep Well,
Careers & Internships Team
Dear Students,

Pls note that a new batch of internship postings from employers such as GE, Aibel, Global Foundries, ThermoFisher, Shimano and Air Liquide have been published.

**Do take time to look through the available postings and submit your applications soon.** Many employers have begun reviewing applications and are looking to confirm their interns.

Do also note that you are required to secure your IA placement by 11 Nov. If you require assistance with your resume, cover letter or interview skills, do make an appointment with the Engineering Career Advisors.

Please email us at cde.iacareer.ug@nus.edu.sg if you have any queries or require further assistance.

Keep Well,
Career & Internships Team

---

**Tips for Securing an Internship Placement**

1. Attend the workshops by the CDE Career Advisory Team.
2. Make an appointment with the Career Advisor for help with reviewing your resume and sharpen interview skills.
3. Start your applications early.
   - Employers typically take at least 2 weeks to review applications and 1 to 2 months to select candidates.
4. Do your research on the Employers and opportunities available.
   - Customize your application.
5. Submit more applications and be responsive.
6. Do not accept an offer without an interview.
7. If you require more time to consider an offer, politely ask the employer for an extension.
   - Contact the Careers & Internships Team if you require assistance.
Dear Students,

Removal from Guest Roster in EG3611A Term 2220

1. Students who did not complete the Pre-Internship Quiz with full marks by Monday, 29 Aug 2022, 11.59pm will be removed from the Guest Roster of the module.

   You will not be able to continue with the application once you are removed from the guest roster.

If you have been removed, but still intend to embark on your IA (EG3611A) in AY2022/2023 Sem 2, do email us at cde.iacareer.ug@nus.edu.sg.

New Talent Connect Postings

2. Please note that a new batch of internship postings from employers have been published.
   - Employers have begun reviewing applications and are looking to confirm their interns.
   - Do make an appointment with the CFG Certified Career Advisors if you require assistance with your resume, cover letter or interview skills.

Lastly, you can email us at cde.iacareer.ug@nus.edu.sg with your full name and matriculation number if you have any query or require further assistance.

Keep Well,
Careers & Internships Team
Dear Students,

The Student Application Window is now open. Please ensure that you complete the mandatory step in TalentConnect in order to gain access to the pool of approved postings.

As mentioned in the Pre-Internship Briefing video,
1. Start your applications early.
2. Do your research on the employers and opportunities available – There are postings from a wide range of employers such as Abbott, Applied Materials, Chevron, Edwards, GE, GSK, Halliburton, Rolls Royce, Schlumberger, Sembcorp and more.
3. Attend the workshops by the CDE Career Advisory Team and make an appointment with the Career Advisor.

Do note that postings will be updated every 2 to 3 weeks. Students will have to secure your IA placement by 11 Nov.

Please also note that you have to complete the Pre-Internship Quiz with full marks by 26 Aug.

All the best with securing your IA placement. Do not hesitate to email us (cde.iacareer.ug@nus.edu.sg) if you encounter any issues or require assistance.

Keep Well,
Careers & Internships Team
Dear Students

Please be informed that:

1. You are eligible for Industrial Attachment (IA) in AY2022/2023 Semester 2.

2. You are included in the Guest Roster of the EG3611A LumiNUS module from Monday, 8 Aug 2022.

3. You have to view the Pre-Internship Briefing under Multimedia.

4. You have to complete the Quiz with full marks, within 3 attempts by 26 Aug 2022, if you intend to embark on your IA in AY2022/2023 Semester 1. Kindly note that being included in the Guest Roster does not equate to an enrolment into the module.

5. You will be removed from LumiNUS Guest Roster if you do not complete the Quiz with full marks by 26 Aug 2022 as we will assume that you do not intend to embark on your IA in AY2022/2023 Semester 2.

The Student Application Window will open on Monday, 15 Aug 2022.

Please email us at cde.iacareer.ug@nus.edu.sg with your name and matriculation number if you have any query.

Keep Well,
Careers & Internships Team
