Subject: Important ModReg Announcements for CEG3 Poly Students - Sem 2, AY22/23
Importance: High

This email is meant for CEG3 students from AY21 Poly intake.

Dear CEG3 Students

Please note the following important announcements regarding modules registration:

1. Module Registration via ModReg

Module registration is done via ModReg@EduRec ([myEduRec](#) > Academics > Module Registration).

- If you still haven't, refer to the [Academic Plan Declaration page](#) (and email below), and complete your academic plan declaration *24 hours before accessing ModReg*. Note:

It is Not necessary to declare your preferred CEG concentration via 'Specialisation' or 'Tracks' (Both are not applicable to CEG). Anyway, CEG students will not/should not be able to select either in ModReg as they are not configured for student's selection. For 'Specialisation', application (outside APAD) has already closed.

- Please refer to the [ModReg User Guide and/or Videos](#), to learn how to use the ModReg.

- Do note the various dates for [each module selection round](#). Round 0 of 'Select Modules' will start tomorrow, 6 Dec.

- Refer to the [ModReg website](#) for the detailed information of how the rules-driven, priority-based allocation work.

2. Core Modules

As per your [recommended schedule](#), the following core modules will be pre-allocated to you (by the respective module host): CG2023, CG2271, EE2211, EG2501 and PF1101.

NOTE 1: The core modules will be pre-allocated to you only if you have **fulfilled their pre-requisites**. Please **verify via ModReg on 28 Dec (Round 1) to ensure the correct modules have been allocated to you**.

It is the students' responsibility to ensure that there are no clashes in timetable (lecture, tutorial, lab and exams) for all the modules. Students are NOT allowed to read modules with clashing timetable.

NOTE 2: For students who have not passed any Year 1 and/or 2 core modules, please register via 'Select Module' in Round 0. You are highly recommended to read/repeat the year 1 & 2 core/fundamental modules ASAP. If a particular module is not available, email me for further instructions. For CG2111A, CG2271 or CS-coded core modules, check with Mr Low lowmb@nus.edu.sg or Ms Sim xjuan@nus.edu.sg directly.

NOTE 3: For [AY21 common curriculum modules](#), refer to [OUP wiki page](#). If any queries, please email OUP/CDE UG ModReg Enquiries cdebox28@nus.edu.sg directly.

NOTE 4: Please register for a tut and/or lab (for all your enrolled modules) yourself, via Select Tut/Lab Round 1 (10 Jan).

NOTE 5: Workload Policy

- For students with a CAP of **more than or equal to 2.0**, the maximum workload (pre-allocated AND selected modules) is 23 MCs for Rounds 1 and 2, and 25 MCs for Round 3 onwards. This means that students can select up to 23 MCs (inclusive of pre-allocated modules) for Rounds 1 & 2, and up to 25 MCs from Round 3 onwards.

- For students with a CAP of **less than 2.0**, the maximum semestral workload is 20 MCs for all selection rounds. This means that you cannot exceed a workload of 20 MCs in the semester.

- The [minimum semestral workload](#) is 18 MCs.

As with semester 1, students with low CAP are advised to space-out your modules evenly. You may even want to consider dropping one of the pre-allocated modules. Please email me regarding this (dropping of pre-allocated module).

NOTE 6: You are advised not to overload by taking more than the recommended workload. If you still wish to increase your semestral workload to **above 20 or 25 MCs**, you need to email the following information to your **Year 3 Coordinator Dr Rajesh eleraje@nus.edu.sg**, cc me cegcwn@nus.edu.sg:

- i. Total MCs you planned to take in sem 2
- ii. Supporting reasons for exceeding maximum workload in sem 2
- iii. Sem 2 workplan (module code, title and MCs for the respective modules)
- iv. Personal details (name, student ID, course code i.e. CEG3, current CAP)

Please note that even if you are approved to take extra MCs, you can only select module (for the 'extra' MCs) from Round 3 (6 Jan) onwards.

3. CEG Technical Electives

If you fulfil the respective CS/EE-coded module's pre-requisite(s), you may register via 'Select Module' from Round 1 onwards.

Note: IF any timetable clash, please give higher priority to core modules. Also, only students who have attained level 3 standing i.e. tagged as 'CEG3' based on accumulated number of MCs, may select TEs from Round 0.

You are encouraged to read modules hosted by CS/ECE which are listed as Technical Electives (TEs) under the [six CEG concentrations](#).

Cut and paste from TE page, "... These modules may come from any of the concentrations. While there is no necessity, students may opt to focus in a particular concentration. To do so, a student should read at least 16 MCs of technical electives from the same concentration..."

Please note that reading at least 16 MCs of TEs in the same concentration does NOT constitute formal requirements for '[specialisation](#)', so, it will NOT be reflected in the transcript or degree scroll. Nonetheless, to encourage students to read modules listed under the six CEG concentrations, students who passed at least 16 MCs of TEs from the same concentration will be awarded a certificate *upon request*. Please look out for the email blast in your graduating semester (in March or Sept) and respond by the stipulated deadline.

If you are unable to secure a TE in Round 0, you may:

- a) try again in Round 1 (28 Dec), and/or Round 2 (3 Jan), and/or
- b) try again in Round 3 (6 Jan), when leftover quotas merged (if applicable), and/or
- c) submit appeal [Type: "Unable to secure module] in/after Round 3.

Please do not email me/module host department to appeal/request for pre-allocation of CS/EE-coded TEs; not possible. Please be flexible in your choice of TEs.

4. General Education Modules (GEM) and Unrestricted Elective Modules (UEM)

Students who wish to read GEM and/or UEM have to ensure that the timetables of those modules do NOT clash with the timetable (lect, tut, lab AND exam) of their core modules. You can Select Module for these GEM and/or UEM from Round 2.

5. Important Websites

Please refer to the following websites for important information:

- [CEG Third Year Students website](#)

- [Programme Requirements and Technical Elective Rules](#) [A similar briefing for AY21 intake will be conducted around Feb.]
- [S/U Option Matters](#)
- [CEG Recommended Study Schedules](#)
- [AFG/FFG Checklists](#)
- [Examination Timetable](#): **Please check for timetable/examination clashes using [NUSMods](#) before selecting your modules.**

Please allow some time for us (i.e. the respective offices) to process/reply, and do Not send duplicate emails to different recipients separately. You are reminded to check and clear your NUSNET email regularly. For ease of correspondence, retain the email history and sign-off with your name and student ID (which is required to retrieve your record via ModReg). FYI, emails sent from students' personal email accounts have been (randomly) routed to my spam/junk folder (which I don't check).

Regards
Winnie

Important: This email is confidential and may be privileged. If you are not the intended recipient, please delete it and notify us immediately; you should not copy or use it for any purpose, nor disclose its contents to any other person. Thank you.

Subject: [NUS RESTRICTED] MODULE REGISTRATION EXERCISE (ROUND 0) FOR SEMESTER 2 OF AY2022/2023

MODULE REGISTRATION EXERCISE (ROUND 0) AY2022/23 SEMESTER 2

For Existing and Returning Students

1 Module Registration (ModReg) Round 0 From 6 Dec 9am to 7 Dec 5pm

You will be notified via email and uNivUS when your module allocation outcome is posted at ModReg@EduRec > "View My Classes"
(Navigation: myEduRec (edurec.nus.edu.sg) > Academics > Module Registration)

Students to note:

The processing of selected and allocated modules from Round 0 would be on the assumption that students have passed the modules taken in Semester 1 of AY2022/2023. The respective departments reserve the right to drop any allocated modules on your behalf, should you fail to meet the requirements after the release of your examination results for Semester 1 of AY2022/2023.

Module and Timetable Information at nusmods.com

Students enrolled in e-learning classes must adhere to timetable
Do not select e-learning classes with timetable clash or request for timetable clash waiver

Resumption of Face-to-Face (F2F) classes

In alignment with the national stance to return to normalcy as a COVID-19 resilient nation, the University intends to resume face-to-face (F2F) classes for all modules whenever possible and appropriate, to the extent allowed by prevailing Safe Management Measures.

Outstanding Fees Must Be Paid 3 Working Days Before ModReg Starts

Otherwise students cannot participate in ModReg

More ModReg Information and Schedule at www.nus.edu.sg/ModReg/

2 Academic Plan Declaration From 2 Dec 9am to 7 Dec 5pm

(Navigation: myEduRec > Academics > Acad Plan Appln/Declaration)

To be Completed At Least 24 Hours Before ModReg Participation

For you to be assigned priority for ModReg module choices
Academic Plan Declaration cannot be changed within the same semester

User Guide at

[www.nus.edu.sg/ModReg/docs/User-Guide-\(Std\)_AcadPlan_Decln.pdf](http://www.nus.edu.sg/ModReg/docs/User-Guide-(Std)_AcadPlan_Decln.pdf)
Contact your home faculty/department for queries on Academic Plan Declaration requirement

3 Honour Declaration for Undergraduates Who Returned from Student Exchange Programme (SEP) - To Upgrade ModReg Seniority, E.g., From Year 2 to Year 3

For those awaiting Partner University's transcript for official credit transfer

Declaration May Be Made for SEP Modules Enrolled and Passed

Modular Credits (MCs) from completed SEP modules will be added to cumulative MCs, to assign your ModReg Seniority priority based on promotion rules for next level of studies
Declaration is interim measure

You must complete the official credit transfer process to fulfil your degree requirement

Step-By-Step Guide at www.nus.edu.sg/ModReg/docs/honour-declaration.pdf

Students who make false declarations may be subject to disciplinary actions
