Please note that for your Academic Plan Declaration, there is **no need** to declare any CEG 'Specialisation' or 'Tracks' (not applicable for CEG). You will not be able to select them in ModReg as they are not configured for your selection. It is not compulsory to declare any major/minor especially if you are unsure whether to take a 2nd major/minor. Students may declare their 2nd major/minor in subsequent semesters no later than the end of the fifth semester of study.

Please refer to the Recommended Schedule for CEG students at <https://ceg.nus.edu.sg/students/studyschedule/> [look under *Recommended study schedule for CEG students (Students admitted to CEG1 in AY2022/23)*] for the modules you are recommended to take in this semester.
