Subject: [Internships] Applications Now Open for ATAP, IIP, and SIP Internships Starting in May 2023

Dear Students,

Applications for the following internship programmes are **NOW OPEN until 14 April 2023!** The programmes are:-

- [Advanced Technology Attachment Programme \(ATAP\) May to October 2023](#)
- [Industry Internship Programme \(IIP\) May to October 2023](#)
- [Student Internship Programme \(SIP\) May to July 2023](#)

Applying on NUS TalentConnect

You can login to [TalentConnect](#) to start applying for positions. Please check [here](#) that you have met all the pre-requisites to take the respective internship programmes BEFORE you apply to them.

Please follow the guidelines as highlighted during the Internship Briefing (see below).

**Note: Due to screening restrictions, Double Degree Programme students whose home faculty is not SoC may not be able to apply directly on NUS TalentConnect. Please contact AskIR@comp.nus.edu.sg with the Internship Job Title, Company Name, and ID of the postings you wish to apply for.*

Internship Briefing Slides

A guide on how to use NUS TalentConnect has been uploaded to mySoC. The slides from the recent Internship Briefing have been uploaded onto mySoC. The links can be found at <https://mysoc.nus.edu.sg/industry/>.

Self-sourced Internships

Students intending to convert a self-sourced internship to a credit bearing one, should have the company submit the internship details on NUS TalentConnect (Guide on submissions can be found on the Employer's Announcement Page) and you should submit the form at <http://tinyurl.com/SelfSourcedInternship>.

Regards,

NUS School of Computing Internships
