**[REMINDER] Deadline to Secure IA Placement**  
Chua Chong Kian Aaron

Dear Students,

A reminder that the deadline to secure your IA placement is Friday, 14 April 2023. You must do one of the following before the deadline.

1. Accept an employer's offer via Talent Connect (TC); or
2. Submit your Self-Initiated Placement Form via the Enhancement Programme (EP) portal.

Please refer to the Pre-Internship Briefing videos if you are unsure of the processes.

Do note that all students must complete the Canvas Enrolment Survey. Failure to do so will result in issues registering your IA placement in the EP portal.

If you require an extension to the deadline, please submit your request (with reasons) via email to [cde.iacareer.ug@nus.edu.sg](mailto:cde.iacareer.ug@nus.edu.sg). Each request will be reviewed on a case by case basis.

If you are looking for additional opportunities to apply for, please check with your Dept Administrators.

Do note that you may have to defer your IA if you are unable to secure an internship by the deadline.

Please email us at [cde.iacareer.ug@nus.edu.sg](mailto:cde.iacareer.ug@nus.edu.sg) if you have any questions or require further assistance. Do note that we are experiencing a high volume of emails during this period and may take a little longer to respond. Please refrain from sending multiple emails.

**New TalentConnect Postings + Deadline to Secure IA Placement**

[Chua Chong Kian Aaron](#)

Dear Students,

Please note that the final batch of approved internship postings has been published in TalentConnect. There are new opportunities from employers such as Applied Materials, KBR, MSD, Energy Market Authority and Johnson Controls.

If you have not submitted any applications, please do so asap. The deadline to secure your IA placement is 14 Apr. If you are unable to secure or register an internship by the deadline, you may have to defer your internship to a later term which may delay your graduation.

If you have accepted an offer via TalentConnect (TC), please be reminded that you do not need to complete the TC Experiential Learning Form/Record. However, all students must complete the Canvas Enrolment Survey after securing their IA placement (TC or Self-Initiated Placement). This will facilitate the registration of your internship under the IA and the issuance of the Internship Support Letter.

If you have any queries or require further assistance, please email us at [cde.iacareer.ug@nus.edu.sg](mailto:cde.iacareer.ug@nus.edu.sg).
