This email is meant for CEG4 students.

Dear CEG4 Students,

Please take note of the following important announcements regarding courses registration:

1. Course Registration via CourseReg

Course registration is done via CourseReg@EduRec (myEduRec > Academics > Course Registration).
- If you still haven’t, refer to the Academic Plan Declaration page (and email below), and complete your academic plan declaration 24 hours before accessing CourseReg.
[It is Not necessary to declare your preferred CEG concentration via ‘Specialisation’ or ‘Tracks’; both are not applicable to CEG. Anyway, CEG students will not/should not be able to select either in CourseReg as they are not configured for student’s selection. For ‘Specialisation’, application (outside APAD) has already closed.]
- Please refer to the CourseReg User Guide and/or Videos, to learn how to use the CourseReg.
- Do note the various dates for each course selection round. Round 0 of ‘Select Courses’ will start tomorrow, 27 Jun (Tues).
- Refer to the CourseReg page for the detailed information of how the rules-driven, priority-based allocation work.

a) Final Year Project (FYP) - CG4001 BEng Dissertation OR CG4003 Advanced Project and Internship

CG4001/CG4003 has been pre-allocated to students who are continuing/starting FYP. Please verify via CourseReg. If otherwise, please inform me.

b) EG2401A Engineering Professionalism

If you have not fulfilled EG2401A (a Major requirement), refer to OUP wiki page – Year 4 students Select Course from Round 2 (i.e. 1 Aug onwards and Select Tut/Lab (for its tut) on 15 Aug.
CEG students use CS2101* (twinned with CS2113T) to fulfil EG2401A’s perquisite, and not ES1531/ES2531 (for other Engrg students).
[*Or CS2101-equivalent course for CEG students in DDP/RVRC/USP]
If any queries, please email OUP/CDE UG CourseReg Enquiries cdebox28@nus.edu.sg directly.

c) Other Upper Year Core Courses – CG3207/CS3230, CG4002 and EE4204

If you have not fulfilled any of the core course(s), select from Round 0 onwards. After you have successfully secured the course(s), where applicable, Select Tut/Lab on 15 Aug.

- CG3207 is only offered once per academic year, in sem 1 (as an evening module).
- CG4002 (8 Units) is timetabled as Lect (instead of Lab), so that the students may be grouped after the ‘Select Courses’ rounds. Students are Not allowed to co-read CG4002 while on ATAP/IA, so if you are on ATAP/IA, please do Not select this intensive (project) course. Also,
  i. there is a strict limit on total enrolment. If necessary, after Round 0, five places will be added for Round 1. If keen to read CG4002 in Sem 1, AY23/24, please select CG4002 in Round 0, else latest by Round 1.
  ii. due to the nature of the project, the coordinator informed that students Must be in groups of five. As such, it would be administered based on first-come-first-served basis. If the final enrolment is not in multiples of five, based on the time(stamp) of registration, affected student(s) will have to drop the course and take in subsequent semester.
d) Other Core Courses
If you have not pass any other core courses, Select Course from Round 0 onwards. Do NOT delay such course any further. If a particular course is not available, email me for further instructions.

e) CEG Technical Electives
If you fulfil the respective CS/EE-coded course’s pre-requisite(s), you may Select Course from Round 0 onwards. Note: IF any timetable clash, please give higher priority to core courses.

You are encouraged to read courses hosted by CS/ECE which are listed as Technical Electives (TEs) under the six CEG concentrations.

Cut and paste from TE page, “... These courses may come from any of the concentrations. While there is no necessity, students may opt to focus in a particular concentration. To do so, a student should read at least 16 units of technical electives from the same concentration e.g. 1B+3D or 2B+2D...”

Please note that reading at least 16 units of TEs in the same concentration does NOT constitute formal requirements for ‘specialisation’, so, it will NOT be reflected in the transcript or degree scroll. Nonetheless, to encourage students to read courses listed under the six CEG concentrations, students who passed at least 16 units of TEs from the same concentration will be awarded a certificate upon request. Please look out for the email blast in your graduating semester (i.e. in March or Sept) and respond by the stipulated deadline.

If you are unable to secure a TE in Round 0, you may:
   a) try again in Round 1 (26 Jul), and/or Round 2 (1 Aug), and/or
   b) try again in Round 3 (7 Aug), when leftover quotas merged (if applicable), and/or
   c) submit appeal [Type: “Unable to secure course”] from 11 Aug.

Please do not email course host department or me to appeal/request for pre-allocation of CS/EE-coded TEs; not possible. Please be flexible in your choice of TEs.

f) General Education (GE) and Unrestricted Elective (UE)
Students who wish to read GE and/or UE have to ensure that the timetables of these courses do NOT clash with the timetable (lecture, tutorial, lab AND exam) of their core courses.
Please refer to GE website for more details. You can Select Course for these GE and/or UE from Round 2.

g) Workload Policy
- For students with a GPA of more than or equal to 2.0, the maximum workload (pre-allocated AND selected courses) is 23 units for Rounds 1 and 2, and 25 units for Round 3. This means that students can select up to 23 units (inclusive of pre-allocated courses) for Rounds 1 & 2, and up to 25 units from Round 3 onwards.
- For students with a GPA of less than 2.0, the maximum semestral workload is 20 units for all selection rounds. This means that you cannot exceed a workload of 20 units in the semester.
- The minimum semestral workload is 18 units.
- You are advised not to overload (by taking more than the recommended workload). If you still wish to increase your semestral workload to above 20 or 25 units, you should email the following information to CEG Year 4 Coordinator Dr Boyd Anderson boyd@nus.edu.sg & cc me cegcwn@nus.edu.sg:
  i. Total units you planned to take in sem 1
  ii. Supporting reasons for exceeding maximum workload in sem 1
  iii. Sem 1 workplan (course title and units for the respective courses)
  iv. Personal details (name, student ID, prog code i.e. CEG4, current GPA, total units passed to date)

Please note that even if you are approved to take extra units, you can only select course (for the ‘extra’ units) from Round 3 (7 Aug) onwards.

As FYP of 12 units is a two-semester course, you should account for it as 6 units in your workload for sem 1, AY23/24.
2. Apply for Graduation (AFG)
If you intend to graduate at the end of Sem 1, AY23/24, please Apply for Graduation (AFG) via EduRec from 21 Jul – 12 Aug 2023. [Navigation after login: Self Service > Degree Progress/Graduation > Apply for Graduation].
Do check that you have fulfilled all requirements to graduate, using the AFG/FFG checklist (as per your intake year). For students who cannot AFG via EduRec due to whatsoever reasons, please flag to me.

3. CEG4 Briefing
A Joint Department Briefing for all CEG4 students has been scheduled for 11 Aug 2023 (Fri), 2pm @ LT1. There will be no webcast/recording so do attend the session to recap on CEG4 academic matters, among other information.

4. Important Websites
You can refer to the following websites for important information
- CEG Final Year Students website
- AFG/FFG Checklists
- Programme Requirements and Technical Elective Rules
- Examination Timetable: Please check for timetable/examination clashes using NUSMods before selecting your courses.
- S/U Option Matters

You are reminded to check and clear your NUSNET email regularly. For ease of correspondence, please retain the email history and sign-off with your name and student ID (which is required to retrieve your record). FYI, emails sent from students’ personal email accounts have been (randomly) routed to my spam/junk folder (which I don’t check).

Regards
Winnie

Important: This email is confidential and may be privileged. If you are not the intended recipient, please delete it and notify us immediately; you should not copy or use it for any purpose, nor disclose its contents to any other person. Thank you.

Subject: [NUS RESTRICTED] COURSE REGISTRATION EXERCISE (ROUND 0) FOR SEMESTER 1 OF AY2023/2024
COURSE REGISTRATION EXERCISE (ROUND 0)
AY2023/24 SEMESTER I
For Existing and Returning Students

1. Course Registration (CourseReg) Round 0
   From 27 Jun 9am to 28 Jun 5pm
   You will be notified via email and eNUSify when your course allocation outcome is posted at CourseRegEdRec > "View My Courses"
   (Navigation: myEduRec (edurec.nus.edu.sg) > Academics > Course Registration)
   Course and Timetable Information at nusmeds.com
   All students must adhere to timetable of the courses they are enrolled in.
   Do not select courses with timetable clash.
   Resumption of Face-to-Face (F2F) classes
   In alignment with the national stance to return to normalcy as a COVID-19 resilient nation, the University intends to resume face-to-face (F2F) classes for all courses whenever possible and appropriate, to the extent allowed by prevailing Safe Management Measures.
   Outstanding Fees Must Be Paid 3 Working Days Before CourseReg Starts
   Otherwise students cannot participate in CourseReg
   More CourseReg Information and Schedule* at www.nus.edu.sg/CourseReg/
   *Please refer to CourseReg website for the most updated CourseReg schedule

2. Academic Plan Declaration
   From 20 Jun 9am to 28 Jun 5pm
   (Navigation: myEduRec > Academics > Acad Plan Appln/Declaration)
   To be Completed At Least 24 Hours Before CourseReg Participation
   For you to be assigned priority for CourseReg course choices
   Academic Plan Declaration cannot be changed within the same semester
   Contact your home faculty/department for queries on Academic Plan Declaration requirement

3. Honour Declaration for Undergraduates Who Returned from Student Exchange Programme (SEP) -
To Upgrade CourseReg Seniority, E.g., From Year 2 to Year 3
For those awaiting Partner University’s transcript for official credit transfer
Declaration May Be Made for SEP Courses Enrolled and Passed
Units from completed SEP courses will be added to cumulative Units, to assign your CourseReg seniority priority based on promotion rules for next level of studies
Declaration is interim measure.
You must complete the official credit transfer process to fulfill your degree requirement
Step-By-Step Guide at nus.edu.sg/CourseReg/docs/honour-declaration.pdf
Students who make false declarations may be subject to disciplinary actions

For queries and assistance, contact us at nus.edu.sg/coursereg/contactus.html
