Dear Students,

Welcome to Semester 1, Academic Year 2023/2024!

Kindly take note of the following important announcement:

1. Freshmen Welcome / Important Curriculum Talk (21 July, Friday, 10am-3pm)

A reminder that the Freshmen Welcome / Curriculum Talk is on 21 July, at 10am at LT7A. There will be an Important briefing on the CEG curriculum at 1.30pm, we urged you to attend the Talk as we will present important academic issues, including your curriculum, timetabling matters, course planning, etc. You may still register at this link if you have not.

2. Course Registration System

Course Registration is done via CourseReg@EduRec (myEduRec > Academics > Course Registration). Please take note of the various dates for each course selection round as stated at the CourseReg Schedule. Course Selection Round 1 starts on 26 July.

Refer to the CourseReg website https://nus.edu.sg/coursereg/index.html for the detailed information. Please look through the User guide & Videos on how to use the system.

You are also required to make your Academic Declaration before you can access CourseReg. Please complete your Academic Plan declaration (where appropriate) at least 24 hours before participating in the CourseReg Exercise. The Academic Plan Declaration page is accessible from 19 July (9am) to 22 Aug (5pm). You may refer to the user guide here

Please note that for your Academic Plan Declaration, there is no need to declare any CEG ‘Specialisation’ or ‘Tracks’ (not applicable for CEG). You will not be able to select them in CourseReg as they are not configured for your selection. It is not compulsory to declare any major/minor especially you are in your first semester & if you are unsure whether to take a 2nd major/minor. Students may declare their 2nd major/minor in subsequent semesters.

Do check your NUS email account regularly for updates on course and tutorial registrations for the coming semester. All future email correspondences will be sent to your NUS email only & not to your personal email.
You should have received an email from CDE Office of Undergraduate Programme (OUP) office, please read the email. See attached for reference.

Freshmen are required to complete two e-courses, on top of completing both Part 1 and 2 registration before they are considered to have completed matriculation. A reminder to complete the two e-courses ‘A Culture of Respect and Consent” & ‘Student Essentials’ if you have not done so. Otherwise, courses cannot be allocated to you as CourseReg will block your access to enrol courses, you will be tag with Negative Service Index (NSI).
