Subject: [Internships] Applications Now Open for ATAP, IIP, and SIP Internships Starting in May 2024

Dear Students,

Applications for the following internship programmes are **NOW OPEN until 12 April 2024**! The programmes are:-

- [Advanced Technology Attachment Programme (ATAP) May to Oct 2024](#)
- [Industry Internship Programme (IIP) May to Oct 2024](#)
- [Student Internship Programme (SIP) May to Aug 2024](#)

Internship Readiness Assessment
Please go [here](#) to take the internship readiness assessment **BEFORE** applying on TalentConnect.

Applying on NUS TalentConnect
You can login to [TalentConnect](#) to start applying for positions. Please check [here](#) that you have met all the pre-requisites to take the respective internship programmes BEFORE you apply to them.

Please follow the guidelines as highlighted during the Internship Briefing (see below).

Note: Due to screening restrictions, Double Degree Programme students whose home faculty is not SoC may not be able to apply directly on NUS TalentConnect. Please contact AskIR@comp.nus.edu.sg with the Internship Job Title, Company Name, and ID of the postings you wish to apply for.

Self-sourced Internships
Students intending to convert a self-sourced internship to a credit bearing one, should have the company submit the internship details on NUS TalentConnect (Guide on submissions can be found on the Employer's Announcement Page) and you should submit the form at http://tinyurl.com/SelfSourcedInternship

Internship in Final Academic Term/Semester
Students are NOT permitted to take Internship in Final Academic Semester/Term.
Any appeals must be made PRIOR to any internship applications via https://tinyurl.com/finalsemappeal.

Internship Briefing Slides
A guide on how to use NUS TalentConnect has been uploaded to mySoC. The slides from the most recent Internship Briefing have been uploaded onto mySoC. The links can be found at https://mysoc.nus.edu.sg/industry/.

Regards,
NUS School of Computing Internships
