For lectures

the event that you need/wish to read it in another semester or change it to your preferred timeslots, please drop and/or reselect the course during the CourseReg Select Courses rounds.

For tutorials/labs

Students have to select their preferred tutorial groups during Select Tutorials/Labs Round 1 onwards.

You are **STRONGLY** advised to secure the tutorial/lab before CourseReg rounds end, to avoid disruptions to your learning.

Do note that if you do not secure the tutorial/lab by 23rd Jan 2026, 6.00 pm, we will drop the course for you before the “W” grade takes effect from 26th Jan 2026.

***NOTE*: If you do not see your pre-allocated courses in CourseReg or are unable to access CourseReg, please double-check in myEduRec that you have no ‘Hold’ on your student records that bars you from registering for courses.**

Should you have any queries, please refer to our [Wiki page on Pre-allocation and Registration for Common Courses](#) or email us at cdebox28@nus.edu.sg.

Thank you.
