Dear CEG2 students

This email is meant for CEG2 students of AY2024/25 intake
*** PLEASE DO NOT DELETE THIS EMAIL AS IT CONTAINS VITAL INFORMATION REGARDING COURSE REGISTRATION ***

Kindly take note of the following important announcement for Academic Year 2025/2026, Sem 2.
1. Course Registration System

Course Registration is done via CourseReg@EduRec (myEduRec > Academics > Course Registration). Please take note of the various dates for each course selection round as stated at the CourseReg Schedule. Course Selection **Round 1** starts on **2 Jan 2026.**

Refer to the CourseReg website https://nus.edu.sg/coursereg/index.html for the detailed information. Please look through the User guide & Videos on how to use the system.

You are also required to make your Academic Declaration before you can access CourseReg. Please **complete your Academic Plan declaration** (where appropriate) at least 24 hours before participating in the CourseReg Exercise. The Academic Plan Declaration page is accessible from **30 Dec (9am).** You may refer to the user guide here

2. Recommended Courses
Please refer to the Recommended Schedule for CEG students https://ceg.nus.edu.sg/wp-content/uploads/sites/4/2025/06/AY2425_CEG1-Recommended-Schedule-Direct-Revised-as-of-6-Jun2025.pdf *[look under Recommended Study Schedule for CEG Students (Direct Intake) – AY2024/25]* for the courses you are recommended to take in this semester.

Course	Remarks
CG2023	Lecture pre-allocated by ECE (**No need** to select course in CourseReg)
CS2113	Lecture pre-allocated by School of Computing (SoC) (**No need** to select module in CourseReg)
CS1231	Lecture pre-allocated by School of Computing (SoC) (**No need** to select module in CourseReg)
EE2211	Select EE2211 via CourseReg (Round 1 on 2 Jan)
UE / GE courses	**Select course in CourseReg** Refer to CourseReg Schedule https://www.nus.edu.sg/coursereg/course_information_undergraduate.html

NOTE 1: If you want to re-take any year 1 core courses(s), you are required to select for the course(s) via CourseReg. You may contact us (farhan_shaikh@nus.edu.sg and comlowmb@nus.edu.sg) if you have further queries on re-taking these courses. Please check the schedule to ensure that there are no timetable clashes with your year 2 core courses.

NOTE 2: Priority to read CG2028 and/or CG2027 goes to CEG students from AY23 intake, as per their recommended schedule. If still keen to read, CEG AY24 intake may try to select either/both course(s) from Round 3, subjected to quota availability. The timings of CG2027n8 tuts are twinned. Please select tut and lab for CG2028 on 13 Jan, then the corresponding CG2027 tut will be allocated after Round 1. Students who are enrolled in CG2027 only (for whatsoever reason), will be allocated a non-clashing tut after Round 2.

NOTE 3: For CDE Common Courses Selection. Please refer to the instructions in the attached email from OUP. Students who need to re-take any common core courses may select the courses in CourseReg. Please check Wiki page on Pre-allocation and Registration for Common Courses on which rounds they are open for selection. If they are not available for selection for your intake, please send a CourseReg appeal. Should you have any further queries, please email to OUP at cdebox28@nus.edu.sg.

NOTE 4: Workload Policy for first two Selection Rounds

For students with a GPA of **more than or equal to** 2.0, the maximum workload (pre-allocated & selected courses) is **strictly 23 Units for Rounds 1 and 2**. From Round 3, you will be able to see your max. number of units you can take when you click on 'Select Courses' in CourseReg, which is dependent on your GPA. Please evaluate the maximum workload you can handle according to your capabilities, taking into consideration that the CEG core courses generally have a heavy workload. Do not take up to the maximum workload if you find it difficult to manage.

GPA	Max Workload (Rd 1 - Rd 2)	Max Workload (Rd 3 onwards)
4.5 – 5.0	23 units	32 units
4.0 – 4.49	23 units	28 units
3.0 – 3.99	23 units	26 units
2.0 – 2.99	23 units	24 units
< 2.0	23 units	20 units

It is **not advisable to exceed beyond your maximum workload** (see above table). If you have strong reasons to appeal beyond your maximum workload, please email the following info to your **Year 2 Academic Coordinator, Dr Sangit Sasidhar** (elebox53@nus.edu.sg) and cc your email to farhan_shaikh@nus.edu.sg and comlowmb@nus.edu.sg.

> **(ii)** supporting reasons
> **(iii)** Sem 2 workplan (course code, title and its respective units)
> **(iv)** personal details (matric no, degree level, GPA **before** S/U)

Please note that workload increase (if approved) will only take effect from **Round 3 onwards.**
