This email is meant for CEG students who started CG4001 in Sem 2, AY25/26.

Dear CEG students

Your FYP CA report is due in a month's time, on 8 Apr (Wed). There isn't a stipulated format for the CA report per se. If you are unsure, do check with your supervisor directly.

1. You can now view your assigned 'Main Evaluator' by logging on to Project Administration System (mySoC <https://mysoc.nus.edu.sg/~projadm/>), and lookup via 'FYP Proposals (**Presentation Sem**)', click on '**2026/2027 Sem 1**'.

[To email a CS acad staff, add '@comp.nus.edu.sg' after their (unix) ID. For ECE acad staff, add '@nus.edu.sg' after their NUSNET ID.]

2. Please note the important dates for Continual Assessment (CA),

- CA report submission by 5pm, 8 Apr 2026
- CA presentation between 20 – 24 Apr 2026

3. All **FYP presentations should be conducted in physical/face-to-face (f2f) mode**. Please refer to the [Guidelines for CA Presentation](#):

- i. It could be an informal presentation held in the staff office (supervisor or main evaluator), or in discussion/meeting rooms. If the latter is necessary, for CDE venues, please let me know the time and date by next week (20 Mar), while for SoC venues, the respective CS supervisors could help to book.
- ii. Based on the report submitted by students, the supervisors and main evaluators can have informal discussion about the student's understanding of the project, progress, what s/he would be doing in the next semester and expected outcome at the end of the project.
- iii. Students may use their laptop to show a few slides.
- iv. Students are allowed to do separate presentations, provided both supervisor and main evaluator are agreeable with the arrangement.

As noted earlier, please submit your CA report directly to your Supervisor and Main Evaluator on time. You are also required to make the necessary arrangements to meet and report your progress to both the Supervisor and the Main Evaluator during the reading week.

Regards
Winnie

Dear CEG students

As part of the FYP requirements for Continual Assessment (CA) in Week 12, students will have to submit an interim project report which is to be evaluated by their respective supervisors and main evaluators. The report will account for 30% of the final grade.

For this semester, the deadline for you to submit your CA report will be by 5pm on 8 Apr 2026 (Wed). Please take note and submit your report directly to your supervisor and main evaluator on time. You are also required to make the necessary arrangements to meet up with both the supervisor and the main evaluator during Reading Week (20 – 24 Apr), so that you could report on your progress to them. More information of your assigned main evaluator will be provided in due course.

Please refer to [FYP Assessment page](#) for more information.

Winnie
