Dear CDE current students,

This notice contains important information as you prepare for the course registration exercise for Semester 1, AY2026/2027.

Before you begin...

By now, you should already be familiarised with the following

- [Using CourseReg](#)
- Degree requirements in the [NUS Bulletin](#) and department websites
- List of courses available and their timetable on [NUSMods](#)
- [Wiki page](#) on Pre-allocation and Registration for Common Courses in CDE

Pre-allocation and Registration for CDE Common Courses (CourseReg Round 1 - 3)

For Semester 1, AY2026/2027, please refer to our Wiki page below on the CourseReg info for our Common Courses:

Please refer to [this URL](#) on the CourseReg info for our CDE Common Courses.

For lectures

We encourage you to stick to your pre-allocated timeslots as much as possible. However, in the event that you need/wish to read it in another semester or change it to your preferred timeslots, please drop and/or reselect the course during the CourseReg Select Courses rounds.

For tutorials/labs

Students must select their preferred tutorial groups from Select Tutorials/Labs Round 1 onwards.

You are **STRONGLY** advised to secure the tutorial/lab before CourseReg rounds end, to avoid disruptions to your learning.

Do note that if you do not secure the tutorial/lab by 22nd Aug 2026, 5.00 pm, we will drop you from the course before the “W” grade takes effect on 24th Aug 2026.

***NOTE*: If you do not see your pre-allocated courses in CourseReg or are unable to access CourseReg, please double-check in myEduRec that you have no ‘Hold’ on your**

student records that bars you from registering for courses.

Should you have any queries, please refer to our [Wiki page on Pre-allocation and Registration for Common Courses](#) or email us at cdebox28@nus.edu.sg.

Thank you.

Best Regards,
