[IMPT FOR CDE COHORT 2526 EARLIER IMPORTANT INFORMATION ON COURSE REGISTRATION EXERCISE FOR AY20262027 SEMESTER 1.msg](#)

This email is meant for CEG2 Poly students of AY25/26 cohort.

Dear CEG2 Students,

Welcome to Semester 1, Academic Year 2026/2027!

Please take note of the following important announcements regarding course registration:

1. Course Registration System

Please note that Course Registration is done via [CourseReg@EduRec](#) (myEduRec > Academics > Course Registration). Please take note of the various dates for each course selection round as stated at the [CourseReg Schedule](#). Course Selection **Round 1** starts on **20 July**. Please refer to the attached email from RO for more details.

Refer to the CourseReg website <https://nus.edu.sg/coursereg/index.html> for the detailed information. Please look through the [User guide](#) & [Videos](#) if you need a refresher on how to use the system.

You will also need to make your [Academic Declaration](#) before you can access CourseReg. Students are required to complete their Academic Plan declaration at least 24 hours before participating in the CourseReg Exercise. The Academic Plan Declaration page is accessible from **13 July (9am)**. You may refer to the user guide [here](#).

Please note that for your Academic Plan Declaration, there is **no necessary** to declare any CEG 'Specialisation' or 'Tracks' (not applicable for CEG). You will not be able to select them in CourseReg as they are not configured for your selection. It is not compulsory to declare any major/minor especially you are in your first semester & if you are unsure whether to take a 2nd major/minor. Students may declare their 2nd major/minor in subsequent semesters

Students will be tagged as 'CEG2' upon accumulating (at least) 36 MCs. With the Poly APCs and sem 1/first semester course (based on average 20 Units workload), all freshmen from Poly intake are hence tagged as 'CEG2'.

You are still tagged as CEG2 now because you (or rather, most of you from AY25 Poly) have yet to pass 76 MCs (in order to be automatically retagged as CEG3).

Please refer to the CEG2 AY25-26 intake timetable schedule for Sem 1, AY26-27 [HERE](#)

2. Pre-allocation of Core course

Course	Action
CS2107	Lecture will be pre-allocated by SoC (No need to select course in CourseReg)
CS2113	Lecture will be pre-allocated by SoC (No need to select course in CourseReg)
MA1511 and MA1512	Select MA1511 and MA1512 in CourseReg (from Round 1, 20 July)
EE2026	Course pre-allocated by ECE (No need to select course in CourseReg)
ES2631	Select Course in CourseReg (from Round 1, 20 July) Pre-requisite: ES1103 (<i>if you are not exempted from ES1103</i>)

NOTE 1: The core courses will be pre-allocated to you only if you have **fulfilled their pre-requisites**. Please refer to the Recommended Schedule for CEG students at https://ceg.nus.edu.sg/wp-content/uploads/sites/4/2025/06/AY2526_CEG-Recommended-Schedule-Poly_25Jun25.pdf (look for Recommended study schedule for CEG2 Poly, AY2025/26 intake students) for the course you are recommended to take in this semester.

NOTE 2: If you need to re-take any core courses please email to me at farhan_shaikh@nus.edu.sg and cc comlowmb@nus.edu.sg for advice.

NOTE 3: Workload Policy for first two Bidding Rounds

For students with a GPA of **more than or equal to 2.0**, the maximum workload (pre-allocated & selected courses) is **strictly 23 Units for Rounds 1 and 2**. From Round 3, you will be able to see your max number of units you can take when you click on 'Select Courses' in CourseReg, which is dependent on your GPA. Please evaluate the maximum workload you can handle according to your capabilities, taking into consideration that the CEG core courses generally have a heavy workload. Do not take up to the maximum workload if you find it difficult to manage.

GPA	Max Workload (Rd1 - Rd 2)	Max Workload (Rd 3 onwards)
4.5 – 5.0	23 units	32 units
4.0 – 4.49	23 units	28 units
3.0 – 3.99	23 units	26 units
2.0 – 2.99	23 units	24 units
< 2.0	23 units	20 units

It is **not advisable to exceed beyond your maximum workload** (see above table). If you have strong reasons to appeal beyond your maximum workload, please email the following info to your **Year 2 Academic Coordinator, Dr Sangit Sasidhar** (elebox53@nus.edu.sg) and cc your email to comlowmb@nus.edu.sg.

- (i) **Total units** planning to take in Semester 1
- (ii) supporting reasons

- (iii) Sem 1 workplan (course code, title and its respective units)
- (iv) personal details (matric no, degree level, GPA **before** S/U)

Please note that workload increase (if approved) will only take effect from **Round 3 onwards**. Students can only select up to 23 units (inclusive of pre-allocated courses) in Round 1 – Round 2.

Please do not submit your appeal via courserereg for overloading as it will be rejected.

3. Tutorial and Lab Groups Registration

Course	Tutorial	Lab
CS2113	Select tutorial slot in CourseReg on 11 Aug (Round 1)	No lab session
CS2107	Select tutorial slot in CourseReg on 11 Aug (Round 1)	No lab session
EE2026	Select tut in Courserereg on 11 Aug (Round 1)	Select lab in Courserereg on 11 Aug (Round 1)
ES2631	Not applicable, Sectional teaching	
MA1511 and MA1512	Select tutorial in CourseReg on 11 Aug (Round 1 tutorial selection).	No Lab session

4. University Level Requirement (ULR) courses -UE/Minor/GE courses

Students who wish to take UE/Minor/GE courses have to ensure that the timetables of these courses do **NOT** clash with the class (lecture, tutorial & lab) and examination timetables of their essential courses. Please refer to the list of course available at https://nus.edu.sg/courserereg/course_information_undergraduate.html and GE website <https://www.nus.edu.sg/registrar/academic-information-policies/undergraduate-students/general-education/for-students-admitted-from-AY2021-22> for more details.

The General Education (GE) requirement consists of 6 pillars:

- Cultures and Connections (courses with prefix **GEC**)
- Singapore Studies (fulfil by CDE2501 if not done GESS)
- Critique and Expression (fulfil by ES2631)
- Data Literacy (fulfil by GEA1000)
- Digital Literacy (fulfil by CS1010)
- Communities and Engagement (courses with prefix **GEN**). You may refer to more details at the resource page [here](#)

Some GENxxx courses are year-long and only graded at end of Special Term Part II (e.g.

GEN2070X). It is advisable to do GEN courses by Year 3 (if you choose to enroll in such GEN courses), in order to avoid delay in graduation.

For more details on GE requirement, see <https://www.nus.edu.sg/registrar/academic-information-policies/undergraduate-students/general-education>

5. Important Websites

You can refer to the following websites for important information on:

- Second Year Students website at https://ceg.nus.edu.sg/students/second_year/
- Check your graduation requirement at https://ceg.nus.edu.sg/students/ffg_checklists/
- Revised Graduation Requirements <https://ceg.nus.edu.sg/curriculum/requirements/>
- Recommended study schedules at https://ceg.nus.edu.sg/wp-content/uploads/sites/4/2026/07/AY2627_CEG-Recommended-Schedule-Poly_1Jul26.pdf
- Plan your courses/timetable using <https://nusmods.com/courses>

Details on CDE Common Courses, refer to CDE Wiki page:

<https://nus.atlassian.net/wiki/spaces/CDE/pages/34888193/Level+2000+Common+Courses>

- Class Timetable for ECE courses / Lab Schedule at <https://cde.nus.edu.sg/ece/class-timetables/>
- Examination timetable at <https://myportal.nus.edu.sg/studentportal/academics/all/examination-directory.html> (check for timetable clashes before selecting your courses)

If you have any enquiries, kindly contact your **Year 2 Academic Academic Coordinator, Dr Sangit Sasidhar** (elebox53@nus.edu.sg) or myself. For ease of correspondence, please include your name and student number (AXXXXXXXX), and retain the email history.

P/S: You are reminded to check and clear your NUSNET email regularly. For ease of correspondence, please retain the email history and sign-off with your full name and matric number.

Thank you.

Best Regards,

LOW Mun Bak (Mr) : Senior Manager : School of Computing, National University of Singapore:Undergraduate Office : Computing 1, 13 Computing Drive, 02-19, Singapore 117417 : 65-6516 5129(DID) ::65- 6777 9096 (Fax) :: lowmb@nus.edu.sg (E) :: www.comp.nus.edu.sg (W)
