Subject: [Internships] Applications Now Open for Internship Programmes Starting in Jan 2027

Dear Students,

Please do not reply to this email, as replies will not be attended to. For enquiries, please contact AskIR@comp.nus.edu.sg through the appropriate channel.

The viewing and application period for **ATAP and DTLP internships** is now open on **NUS TalentConnect**. More internship roles will be added progressively, so please check TalentConnect regularly for new opportunities.

1. Internship Application Timeline

	ATAP & DTLP
Internship Period	4 January – 18 June 2027
Viewing & Application Period	17 September – 13 November 2026
Application Deadline	13 November 2026 (Friday)

Important: For ATAP/DTLP, the earliest an internship may begin in this cycle is **7 December 2026**, and the latest it may begin is **18 January 2027**. The internship **must fulfil 24 consecutive weeks**. The submission deadlines stated above remain unchanged.

Students will have **5 working days from the issuance of an offer** to accept it before it expires. If you require more time to decide, please request an extension from the employer.

If an offer expires, the employer may write to soc.internship@nus.edu.sg, providing the student's particulars, to request for the offer to be reset on the student's behalf.

2. Self-Sourced Internships

If you have secured an internship outside of TalentConnect and intend to convert it into a **credit-bearing internship**, please submit the Self-Sourced Internship Form by following the instructions at: <https://soc-n.us/selfsourced>

If the job posting has already been approved and is viewable on TalentConnect, you do not need to submit the Self-Sourced Internship Form. Please apply for the position directly via TalentConnect.

The deadline for self-sourced internship conversion submissions is:

ATAP & DTLP: 27 November 2026 (Friday)

Please note:

- Self-sourced submissions must be made **within 5 days of accepting the offer**.
- **No extension requests will be entertained.**

3. Pre-Application Checklist

Before applying, please ensure that you:

- 1. Check your eligibility**
 - You must satisfy the relevant prerequisites.
 - You cannot repeat an internship course code that you have already completed/cleared.
- 2. Update and upload the following documents to TalentConnect:**
 - CV/resume
 - Transcript

- Cover letter

4. NUS TalentConnect

For a guide on how to use TalentConnect, please refer to: <https://soc-n.us/stuguide>

For internship briefing slides and other important information, please visit:

<https://mysoc.nus.edu.sg/industry/> (NUS VPN Needed)

5. Completing Internship Enrolment

For the internship enrolment to be completed:

- Companies **MUST extend the offer via NUS TalentConnect.**
- Students **MUST accept the offer via NUS TalentConnect within 5 working days.**

If an offer expires, the company may write to soc.internship@nus.edu.sg to request for the offer to be reset.

6. Placement Form

The **Placement Form** will become available on NUS TalentConnect after an offer has been accepted.

Students **MUST submit the Placement Form** for the internship to be recognised by the School.

7. Internship Support Letters

Internship Support Letters will be available via TalentConnect once the **Placement Form** or **Self-Sourced Internship Form** has been processed.

8. Graduating After Your Internship

Students who intend to graduate immediately after completing their credit-bearing internship should submit their appeal **BEFORE applying for internships.**

Appeals may be submitted at: <https://soc-n.us/finaisemappeal>

All the best for your internship applications.

Regards,

NUS School of Computing Internships
